**Rahul International Public School Mahuar, Kalon, Chandauli Uttar Pradesh**
July 2016 - July 2017
High School

## Projects

**Music Academy**
⚭ https://aalora.aichchhik.xyz

- Fully responsive design that adapts beautifully to desktops, tablets, and mobile devices.
- Detailed pages for our music programs, including course descriptions and music production.
- User-friendly contact forms for inquiries and enrollment, integrated with email services for seamless communication.

**Video-Interview-Platform**
⚭ https://jobsync.aichchhik.xyz/

- Used Convex as the backend platform for serverless operations and real-time data synchronization.
- Clerk was included for user authorization and authentication.
- Implemented real-time chat and messaging capabilities using Stream.
- Created a cutting-edge, responsive, and aesthetically pleasing frontend using ShadcnUI accessible and configurable UI components.

**Job Portal**
⚭ https://job-portal-xi-six.vercel.app

- The platform uses modern technologies of full-stack web development, ensuring a fast, secure, and user-friendly experience.
- Job seekers can easily search, apply, and manage job applications, while employers can post job listings, review applications, and communicate with candidates.
